Peter White

April 15, 1938 - January 30, 2022

Sacramento, California - Peter White passed at 84. He was a graduate of San Juan High School (class of '56) and Chico State (class of 1960). He married Nancy Schlegel in 1961 and is survived by his brother, Ken White, his children Cameron White and Jennifer Hill, and grandson Christopher Hill.

He served in the Coast Guard until 1969, then started with Allstate as an insurance salesman, with them for over 30 years.

After retirement, he enjoyed collecting vintage tin toys, toy trains, boy's air rifles and civil war memorabilia. He also enjoyed traveling with trips all over the world, but also loved to explore small town antique shops or antique toy conventions.

He also loved tennis and leaves behind many dear friends from Gold River Raquet Club.

In lieu of flowers or donatations to the family, please make donations to the Fair Oaks Historical Society.
